

JOIN THE CSISE SOCIAL INNOVATION CHALLENGE

October 24, 2024 | 2-5 Member Teams *
Clayton State University, Morrow, GA

Center for Social Innovation and Sustainable Entrepreneurship Clayton State University College of Business

The Center for Social Innovation and Sustainable Entrepreneurship (CSISE) at Clayton State University College of Business presents its second social innovation challenge. This year's challenge will focus on STEM Based solutions to impact the world and local community. University Partner Teams of 2-5 will have an opportunity to demonstrate their ability to solve social entrepreneurial problems and pitch a social stem-based venture idea. Leading up to the competition, the teams will be exposed to design thinking assessments, social innovation business canvas, technology-based solutions, and pitching excellence. The winning team will receive a trophy and additional coaching to compete in future business plan and pitch competition

***Deadline to express interest in the challenge is September 15**

*Special approval is required for 1 person teams

2024 CSISE S.T.E.M. Social Innovation Challenge

Objective: Develop a for-profit social business focusing on S.T.E.M. that addresses one of the United Nations Sustainable Development Goals (SDGs).

Eligibility: One team per university, consisting of 2 to 5 members.

Pitch Duration: 10 minutes

Key Components:

1. Social Mission

- Description: Clearly articulate the social mission of your enterprise.
- UN SDG Alignment: Specify which UN Sustainable Development Goal(s) your business addresses.
- Impact: Explain how your business will positively impact society.

2. Product or Service

- Description: Briefly describe your product or service.
- Innovation: Highlight the use of S.T.E.M. (Science, Technology, Engineering, and Mathematics) principles and technologies, such as AI, in your product or service.

3. Market

- Target Audience: Identify who you are selling the product or service to.
- Industry: Specify the industry your business operates in.
- Market Size: Provide an estimate of the market size.

4. Revenue Model

- Description: Explain how you plan to make money.
- Feasibility: Ensure the revenue model is realistic and achievable.

5. Competition

- Competitors: Identify your competitors.
- Accomplishments: Briefly discuss what your competitors have achieved.

6. Competitive Advantage

- Uniqueness: Explain why your solution is unique or difficult to copy.
- Entry Barriers: Describe any barriers to entry (e.g., patents, trademarks, trade secrets).
- Protection Plan: Outline your plan to protect your intellectual property.

7. Overall Delivery

- Articulation: Ensure clear and effective communication.
- Voice Projection: Maintain a confident and engaging tone.
- Professionalism: Display professionalism throughout the pitch.
