SGA Secretary		Kameron	Robinson		Communications and Media Studies	Creative Content Development	<p>I, Kameron Robinson, should be elected because I understand what it feels like to feel you don't have a voice. A voice of change and difference. With the implementation of initiatives and events to promote campus and student development, I hope to give Clayton State SGA recognition throughout its campus and Georgia. Attending Clayton State for six years, I never knew what SGA was or what they did around campus. Its time to change that! SGA will be known!</p>
SGA Undergraduate Student Senator		Te'Quayla	Carter		Chemistry	<p>Involved in NCNW and the math club. My Hobbies are drawing, painting, and reading. I have an interest in giving back and helping others whenever needed.</p>	<p>Being a part of SGA gives me the opportunity to incorporate more learning and fun activities/experiences for not only freshman to better translation into the new environment but for upper graduates as well. I hope that my future involvement with SGA will bring some more uniform to community of new and old Lakers as connecting with the student body can impoverished and enhance the college experience.</p>

SGA Undergraduate Student Senator		Aamariah	Denson		Business Marketing	I have a candle business. As a hobby I enjoy doing nails. I'm involved in a lot of community service events through non profit organizations.	My name is Aamariah Denson. I'm running for your Clayton State Undergraduate Senator. I am an honor student at the school. I feel I can be a voice for students due to my close relationship with students on the campus. As a senator I will work with the school administration to make changes about topics we as the students find important. I will collaborate with different organizations to ensure the students feel welcomed and safe on campus. In addition, as a senator I'd aim to create an unforgettable experience through community service, campus activities, and actively listening to the students ideas and concerns. Listening and working with the students will be my primary focus.
SGA Undergraduate Student Senator	no photo avail	Tre'Lynn	Walton		Health Science Pre-Nursing Concentration	Work study Campus Information and Visitor Services.	I should be elected as the Undergraduate Senator because I take pride in my community. I love helping others and listening to their stories. I would love to be a part of SGA to change the University for the better.
